GOVERNMENT'S RESPONSE TO THE MOTION OF DEFENDANT JOSE TORRADO (5)
TO MODIFY CONDITIONS OF RELEASE

The United States Attorney, by and through the undersigned attorneys, now responds to the motion of Defendant Jose Torrado ("Torrado"), dated June 2, 2005, to modify the terms and conditions of his release to eliminate the condition that he wear an electronic monitoring device.

Based upon the grounds for his motion and undersigned counsel's discussion with Pretrial Services ("PTS") Officer Christopher Wylie, Torrado's supervising PTS Officer, the government does not oppose the defendant's motion provided that the conditions of his release are also modified to require that Torrado report to PTS in person once a week and report to PTS by telephone once a week (in addition to the conditions previously imposed by the Court). PTS Officer Wylie agrees that such further modification of Torrado's conditions of release is appropriate.

Respectfully submitted,

MICHAEL J. SULLIVAN
United States Attorney
